

NovelRama & NovelRama Jr. **25,000 words in 4 days. *Because you can.***

NovelRama

Need to get that novel done? Here's your chance! Join the members of Rocky Mountain Fiction Writers for our next NovelRama. This event is open to anyone who has a bunch of words to produce and is looking for the excuse to sit down and do it.

Half a novel. A novella. A big push forward in your current work in progress.

NovelRama Jr.

Do you know a young writer who would like to participate? New in 2018 - we're introducing **NovelRama Jr.** - a smaller word count goal (5,000 words in four days) for young writers!

How to Participate:

This event will be held online, so you don't even have to change out of your comfy house pants. But do let us know if you'd like to participate by clicking "Interested" or "Going" on our FB event page (links will appear below). The entire event will take place on the FB event page, from LIVE Videos, to writing sprints, to our famed Llama memes... it will all be there! Participants who post their daily word count and meet the word count goal will be entered in a drawing for fabulous prizes! Block off these dates now! Links coming soon.
