Colorado Gold Sept 9-11 2022

Note: Begin	Note: Beginner, intermediate and professional designations are meant to guide writers based on where they are in their career. For instance, marketing classes are mostly designated as professional because they are of interest to writers who are published or near publication. These categories are only guides, and you need not have previous knowledge/experience of a topic to attend any workshop. Read workshop descriptions for details on each session.
